

Competition report

Acknowledgements

First we would like to thank all the people from different parts of Sweden that respond to our call for help and came to Uppsala during the competition to contribute with their knowledge and experience. They are listed below (in “structured order”)

Name	Club
Pierre Thullberg	DIF
Jens Mattsson	FFF
Paul Sievert	FFF
Johan Willemo	GoFK
Roger Skårbratt	KF99
Erik Baecklund	WFF

Second we would like to thank all the fencers that participated in the competition for helping in making it the third largest fencing competition held in Sweden and probably the largest Nordic Championships yet, and helping in making it as good as it was.

Third we would like to thank all the referees, coaches and other people that were at the competition for helping in making it as good as it was.

Organizing committee

The organizing committee was comprised as follows

Name	Function
Mattias Edlund	president and factotum
Björn Rasmussen	equipment and sponsors
Sofie Larsson	prizes and sponsors
Bettina Berg	prizes and press
Joel Sundström	miscellaneous

Venue

The competition was held at Fyrishov in Uppsala. The two main halls were used, together with the corridor outside of Hall A, the new gymnastics hall and Uppsala Fäktning’s fencing hall.

Equipment

The fencing equipment was rented from Stockholm’s Fencing Federation and the Swedish Multisports Federation.

Personnel

All personnel (except the ones acknowledged above) were members of Uppsala Fäktning. A few non-members were also recruited.

Nordic Champions

The following people were named Nordic Champion during the competition and received the Nordic Fencing Union's gold medal (all except the veterans, who received the Swedish Fencing Federation's medals).

Class	Name	Country
Junior women	Catharina Kock	Finland
Junior men	Philip Karlsson	Sweden
Cadet women	Carolina Fusoni	Finland
Cadet men	Frederik von der Osten	Denmark
U/15 women	Maria Donslund	Denmark
U/15 men	Oskar Nygård	Sweden
U/13 women	Louise Donslund	Denmark
U/13 men	Anton Kimfors	Sweden
Veteran	Richard Larsson	Sweden
Junior team women	-	Estonia
Junior team men	-	Finland

Medals

Below is an overview of the medals awarded during the championships.

Country	Gold	Silver	Bronze	Total
 Sweden	4	7	8	19
 Finland	3	2	6	11
 Denmark	3		2	5
 Estonia	1	2	2	5
 Norway			2	2

Injuries

The competition was at large spared from serious injuries. One injury, though, required a trip to the hospital. During the poule of the men's cadet competition one fencer somehow got some small pieces of metal in his eye. The medical personnel sent him to the hospital, where the metal was removed. The club of the injured fencers has promised to examine the fencer's mask and report its findings.

Things of interest

One error was made in the results reported on the internet; the wrong person was reported as winner of the women's U/13 competition, but the error was corrected the same day.

On the following pages will be the results (overall rankings for each class, complete results can be found at <http://upsalafaktning.se/JNC2009-results/>) followed by the refereeing report (written by the head referee of the competition).

/Mattias Edlund

Refereeing report

Nordic Championships in Uppsala, 26-27 September 2009

Official categories: Juniors and cadets individual, junior teams épée

Unofficial categories: U15 and U13 individual épée

Web-site: jnm2009.upsalafaktning.se

Conditions

The competitions were organised by Uppsala Fäktförening in the venue Fyrishovshallen. The organiser deserves recognition for the good preparations and in many cases excellent arrangements to provide good conditions for fencers and officials. The scheduling and timing of the events were very well executed. In total, the competitions had 453 entries.

From a refereeing perspective, the important negotiations with the participating delegations had been realised before the competitions and all participating federations were represented with referees. Also, efforts had been made to acquire additional capacity of qualified referees. A referee room had been prepared for meetings and also refreshments, coffee and sandwiches during the day.

Participating referees

	Saturday	Sunday
Denmark	2	2
Estonia	7	5
Finland	5	8
Norway	3	3
Sweden	16	17
TOTAL	33	35

This number was just about enough to secure the running of the competitions. It was not sufficient, however, to secure neutral referees in every match. With the number of participants, a much higher number of referees from other countries would have been needed.

There is a difficulty that the federations only take as their responsibility the participation in the "official" categories. The participation in the U15 and U13 are regarded as club responsibilities. The referee obligation for the Estonian delegation was upheld only by coaches who had many other tasks, something which caused some discussions.

General opinion on refereeing level

The refereeing level was good at the competitions. The rules for competitions were followed and the general order during the competitions was disciplined. The participants enjoyed fair conditions and the number of complaints was low.

Sanctions

The Estonian fencer Margo LEHIS received a black card in the T-16 of the men's cadet competition for unsportsmanlike behaviour after spitting on the floor.
