Dear Federations,

On behalf of USA Fencing, it is my pleasure to welcome you to Salt Lake City as we welcome the world's best young fencers to the United States for the first time since the Junior and Cadet World Championships were held in South Bend, Ind. in 2000.

During the past 20 years, fencing has grown tremendously throughout the world and we are excited to have more than 1,000 athletes come to Salt Lake City to go for the gold.

Salt Lake is an amazing city that is home to outstanding outdoor and recreation opportunities and professional sports as well as top-rated restaurants and museums. I encourage each of you to take some time to explore downtown and everything Salt Lake has to offer.

Home to the 2002 Olympic Games as well as multiple past World Championship events, nearly all of the venues for the Games are still in use today, including the bobsled, skeleton and luge runs which can be toured in the mountains of Park City, just half an hour away from the competition venue.

I would like to thank our partners at Visit Salt Lake and the Salt Lake Sports Commission for their work in preparation for the Junior World Championships as well as to Absolute Fencing Gear®, Tissot, Megafon and the International Charity Fund for the Future of Fencing for sponsoring the Championships.

We look forward to seeing you in Salt Lake City in April!

Sincerely,

A handwritten signature in black ink that reads "Donald K. Anthony Jr." in a cursive style.
