FIE rules apply: Entry only via your national federation no later than Oct. 1st 2021.

COVID-19 REGULATIONS AND PRECAUTIONS

Denmark is now open to foreign visitors including fencing athletes from all nations. The Danish travel restrictions classify all countries and regions around the world into four categories: green, yellow, orange and red. These colour categories determine which rules apply to you on your arrival in Denmark. The rules also depend on whether you are travelling on a negative test, whether you have been vaccinated or previously infected with COVID-19, on your country of residence, where you are travelling from and where you have spent the past 10 days.

Please visit this website for current regulations in connection to entry to Denmark from your country: <https://en.coronasmitte.dk/rules-and-regulations/entry-into-denmark/legal-requirements-upon-entry>

Getting a PCR or rapid antigen test in Copenhagen is free of charge and easy accessible. The tournament organizer will help you if needed. Just contact us at tournament@trekanten.org or at the registration during the tournament.

Visit this website for all info on tests: <https://en.coronasmitte.dk/test-for-covid-19>

The tournament venue and the running of the tournament will be organized according to all current official Danish covid-19 regulations plus the following regulations specific to the tournament:

- all athletes, coaches, referees, officials and visitors will have to pass a check point and present personal corona passport (proof of vaccination, previously infected with COVID-19 or negative test no more than 48 hours old) upon entry to the fencing venues. This applies to all entries and every entry.
- all athletes, coaches, referees, officials and visitors are requested to wear a face mask at all times on the venue premises (except of course for the actual fencing time on the strip)
