Yoram Orenstein Director Manager of the "Hapoel Sport Association"

We used to organize in Israel every 4 years, one of the biggest sport events with the best athletes Fencing was always one of the most important competitions on that event.

We establish this format in collaboration with other organizations great believe of its growth and flourish after this first event.

Fencing of all sports shows the Transformation of the use of Weapons into sport for excellence and friendship.

Thank you and best regards,

Uri Harlap

President
